7 May 1959

MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 5 to
Contract No. SP-1915 with Lockheed
Aircraft Corporation, Burbank, California,
CARFISH, Project GUSTO

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 4.

2. Contract No. SP-1915, Section C, covers GUSTO work. This Amendment No. 5 reflects the scope of work for Section C and obligates an additional \$100,000. This \$100,000 is chargeable to GUSTO FY 1959 funds and is within the FY 59 approved budget. By concurrence to this memorandum the Comptroller signifies that funds are available for this additional obligation.

3. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, for each contract.

4. Concurrence in Amendment No. 5 to Contract No. SP-1915 is recommended.
